

MOTOAMERICA TECHNICAL BULLETIN

06-2018

Technical Bulletin for immediate release

Due to the popularity of the earlier model SV650's and the ability to homologate these bikes with the assistance of Suzuki, MotoAmerica is extending the homologation to include all generation 2 Suzuki SV650's 2003-2012.

Please contact <u>technicaldirector@motoamerica.com</u> with any questions.
