

MOTOAMERICA TECHNICAL BULLETIN

10-2018

Technical Bulletin for immediate release

SUPERPOLE REAR QUALIFYING TIRES

Dunlop will supply TWO Qualifying tires to all riders that will participate in Superpole. In the event that a rider/team does not use one or both of their qualifying tire(s) in Superpole, then those tire(s) shall be returned to Dunlop immediately following Superpole. Dunlop shall then mark the riders name on the tire(s), and retain it/them for that same rider/team to use when they next participate in Superpole in a future event.

As a reminder ALL Qualifying tires – new or used – must be promptly returned to Dunlop following Superpole.

Please contact technicaldirector@motoamerica.com with any questions.
