

MOTOAMERICA COMPETITOR BULLETIN

03-2018

Race Distances and Class Participation

The following table lists the classes participating in each round and the number of laps per race. Only the Motul Superbike Class will participate in the MotoAmerica Championship of Texas. The MotoAmerica Championship of Monterey will feature all classes except Stock 1000. All other rounds will include all classes. Stock 1000 competitors may email Niccole Cox ncox@motoamerica.com to petition for inclusion at COTA and Laguna. Participants will be accepted on a space available basis, assuming all experience criteria for a Superbike license are met. The Dunlop Pre-Season test is open to all competitors with a current license and entry.
