

Motoamerica Mini Cup Competitor Bulletin 03-2020 Bike Number Requirement

Ohvale Bike Number – revised requirements

To address the issue regarding bike numbers being unable to read the following guidelines are now in effect.

- 1) The numbers must be large enough to read and in block font – no fancy fonts or frills. If the number is not legible when hand scoring is necessary, then the bike will not be scored.

- 2) New color requirements:
 - a. 190 cc Class: Black numbers on White background
 - b. 160 cc Class: Black numbers on Yellow background
 - c. 110 cc Class: Yellow numbers on Red background
