Track Limits – Turn 8

The track limit is defined as the edge of the concrete curb any deviation to the left of this will be penalized by The Race Direction as follows:

During practice/qualifying: The lap time will be cancelled

During racing: if any advantage is judged to have been gained – a time penalty may be imposed.

Touring/Respecting Qualifying

Riders must not tour the track. Touring is defined as riding in a manner not compatible with general safety. This includes being on the racing line and not attempting to produce a fast lap time. All riders should respect each others qualifying time, if experiencing a mechanical or crash should clear the incident as quickly as possible. If safe to return to the pits, riders should do so WITHOUT causing excessive periods of yellow flags.

Stock 1000 Track Density

The top 12 in Stock 1000 points are invited to practice and qualify in the Superbike sessions. They must declare their session by 8am Friday 9/23 by emailing ncox@motoamerica.com The top 5 superbike cup competitors are assigned to the superbike practice and qualifying sessions.

Grid Limits

Regardless of qualifying cut offs, the maximum grid size at this circuit is 36. The fastest 36 in combined qualifying will be placed on the grid.
