

Teams,

It's time to layout the plan for Load In for LAGUNA, here is the load in order and the staging maps color coded for ease. Groups are broken up into ROWS, please stage in your designated color matched area. **THIS PADDOCK WILL BE EXTREMELY TIGHT, Pickup Trucks towing trailers will be dropping trailers when parked. We need this done very quickly to keep load in moving along.**

Upon arrival, please, park in an orderly fashion ensuring not to block any other team. If you do not see your Team name on load in order....DO NOT PANIC. Everything will be fine; you will be loaded in and parked.

**RV's can move into the RV section upon arrival, park in reference to the map and in the next open spot available. Do NOT Park in the Red Zone.**
