

Teams,

It's time to layout the plan for load in for VIR, here is the load in order and the staging maps color coded for ease. Groups are broken up into ROWS, please stage in your designated color matched area.

Upon arrival, please, park in an orderly fashion ensuring not to block any other team. If you do not see your Team name on load in and you are a Premier or Season Entry, please email: Paddock@motoamerica.com Otherwise, all single event entries will park in blue section.

RV's can move into their assigned RV spaces upon arrival. Unassigned or non-Powered RV can park in RV gravel area, just not next to a power pole.
