

2023 SUPERBIKE CUP ENTRY OPTIONS

The Superbike Cup Scholarship Program proposed program allows riders to compete in both in the Stock 1000 and Superbike classes. Additionally, MotoAmerica and the AMA proposes license changes which allow riders who would have been ineligible to maintain eligibility for Stock 1000 while transitioning to the Superbike class. Riders who are issued the Superbike Cup license will be entered in the Stock 1000 class (with Stock 1000 entry submitted) and if the rider earns a time in a qualifying session that also qualifies for the Superbike class then the rider will also be added to the Superbike class races for that event.
