LOAD IN INSTRUCTIONS

Load in will start at 9am

ROW 1 will be called first. You will cross over the bridge and turn left on Yellow Ramp 3, followed by ROW 3 you will come down the same YELLOW RAMP 3.

After that we will call ROW 2. You will cross over the bridge and turn left on Red Ramp 1.

Next up, we will call Row 4 followed by Row 5 to come down Red Ramp 1.

Pad Parking, I want TRY something new, so you do not have to wait all day...I want these teams to self-park any time after 10am. You will cross over the bridge and turn left on Blue Ramp 2.

You are all assigned a PAD to park in, you do not have to park in this order, but you do have to park in this fashion. Fire lanes will be painted prior to arrival. PARK AS CLOSE TO THE GRASS LINE, on the grass if possible. (Especially Pad 3) to give more room on pavement to paddock.
