

2023 SUPERBIKE CUP ENTRY OPTIONS

The Superbike Cup Scholarship Program proposed program allows riders with a Superbike Cup license to compete in both in the Stock 1000 and Superbike classes. Additionally, MotoAmerica and the AMA proposes license changes which allow riders who would have been ineligible to maintain eligibility for Stock 1000 while transitioning to the Superbike class. Riders who are issued the Superbike Cup license submit an entry in the Stock 1000 class and if the rider earns a time in a qualifying session in Stock 1000 qualifying that also qualifies for the Superbike class for that event then the rider will also be added to the Superbike class races for that event. (See Competition Bulletin 5-2024 for details)
