Superbike Cup Competitors Assigned to Superbike Sessions

The Superbike Cup competitors assigned to Superbike will be shown a white flag when their part of the session is over, they must immediately pit in at this time. For those looking to do practice starts, they may wait at pit out and as the session checkers they will be released to do a practice start with the rest of the Superbike competitors. This window will be open for 60 seconds after the checker. Riders arriving more than 60 seconds after the session initially checkers will not be allowed to do a practice start.
