Tire Allocation For KOTB

The tire allocation for KOTB has been updated to include a new front tire. Teams will be allocated three KR448 R8 Med+ front tires. Teams may chose to use, or not use the new tire. The new countermeasure tire will not be required to have a sticker if used in morning warm up, it will be marked with a red sticker by Dunlop. Any other tires used in warm up and all tires used in the race will be required to be stickered.
