

MOTOAMERICA COMPETITOR BULLETIN

01-2017

MotoAmerica has discontinued the use of the red and white logo for official use. All logos used by competitors on leathers, race transporters, motorcycles and crew shirts should be updated to use the blue and red logo. The logo is available at www.motoamericaregistration.com/competitor-info. Teams should use best efforts to comply with the updated logo use guidelines in 2017. All new leathers and crew shirts must contain the updated logo. In 2018, use of the logo guidelines will be mandatory.

Competitors should use the stroked blue/red logo on dark backgrounds where the red and white logo was previously used. As a reminder, competitors are required to display the MotoAmerica logo, and Dunlop logo on their leathers and crew shirts as displayed in the following diagrams. Race transporters are also required to display the MotoAmerica logo, team name and sponsors.

Please contact ncox@motoamerica.com for any questions.
