

Superbike Qualifying Session

Riders must have a lap time within 108% of the best lap time in the Timed Practice session to be eligible to participate in Superbike Qualifying. The top 21 riders will then be selected to participate in Superbike Qualifying session. Riders who were in the 108% but not the top 21 will be included in the Superbike Race grid in positions 22 on in qualifying order based on Superbike Timed Practice.
