

MotoAmerica Competitor Bulletin

08-2019

****UPDATED****

MotoAmerica and the American Motorcyclist Association have amended the qualifying procedures for Superbike, Supersport and Junior Cup **ONLY for Round 9** at New Jersey Motorsports Park

Supersport/Junior Cup

Grid positions for Race 1 will be based on the fastest time recorded by the riders in the qualifying session. In the case where all qualifying session have been cancelled, the grid position will be based on the fastest time recorded by the riders in the free practice. Grid positions for Race 2 will be based on the riders fastest lap of Race 1, with those classified as **a DNF AND having not recorded a lap time will be placed six grid positions** behind their grid position for race 1. Those classified as a DNS will be placed on the grid in order of their qualifying time after all other riders have been gridded.

Superbike

Grid positions will be based on the fastest time recorded by the riders in all qualifying Practices combined. There will be no Superpole session, and qualifying tires will not be made available.
