### KING OF THE BAGGERS

The 2022 AMA/MotoAmerica regulations have been edited as follows:

1.19.3 Grid positions for King of the Baggers a. Grid positions will be based on the fastest time recorded by the riders in all qualifying practices. In the case where all qualifying practices have been cancelled, the grid position will be based on the fastest time recorded by the riders in all free practices.

~~b. The top six (6) grid positions for the King of the baggers will be based on the finishing order of the King of the Baggers Challenge. The six riders who participate in the King of the Baggers Challenge will be based on combined qualifying. The grid positions after the first six (6) positions will be based on combined qualifying.~~

c. Riders that have been given a provisional start by Race Direction will go to the back of the grid regardless of lap times. In the case that multiple riders are given a provisional start their position will be determined by lap time at the back of the grid.

#### *Challenge Procedure*

While the Mission Challenge no longer effects qualifying, it is mandatory for the top six in combined qualifying. Those failing to participate may be ineligible for King of the Bagger race purse.
