

MotoAmerica Competitor Bulletin

08-2023- Revised

TEAMS CHANNEL – Revised with new B frequency

Due to interference issues with our teams channel, MotoAmerica is requesting all competitors to program listen only radios to BOTH channels below. Channel A will still be primary, however, if interference causes channel A to be unusable, we will switch to B.

Channel A 456.8125 (analog)

Channel B 452.237500 (analog)

For any questions please contact ncox@motoamerica.com
