

MotoAmerica Technical bulletin

03-2019

MotoAmerica has named VP MGP as the controlled fuel for 2023. VP must be used in all official tests and MotoAmerica competition events. MGP will be available at all official tests and competition events. Specs for the FIM approved MGP are available [here](#).

The fuel will be available for pre order at www.motoamericaregistration.com/fuel

The cost to MotoAmerica competitors purchased at a race track or through the five listed distributors is \$12 a gallon plus applicable tax and shipping, and the fuel will be available in 15 gallon drums

Please contact technicaldirector@motoamerica.com with any questions.
