Dunlop will provide one “pre-qualifier” tire for participants in all Superpole sessions. This tire will be “loaned” to the teams, free of charge and will not count against the tire allotment. However, the tire may not be picked up until after the completion of QP2, and must be returned used, or unused to Dunlop no less than 30 minutes after the end of Superpole. Failing to return the tire, may result in a \$350 fine. The “pre-qualifier” tire may not be used in any other session, and use in that session may result in forfeiture of times or results for that session.
