

MotoAmerica Technical Bulletin

04-5000-24 – VP Racing Fuels Daytona

Dear Teams and Competitors,

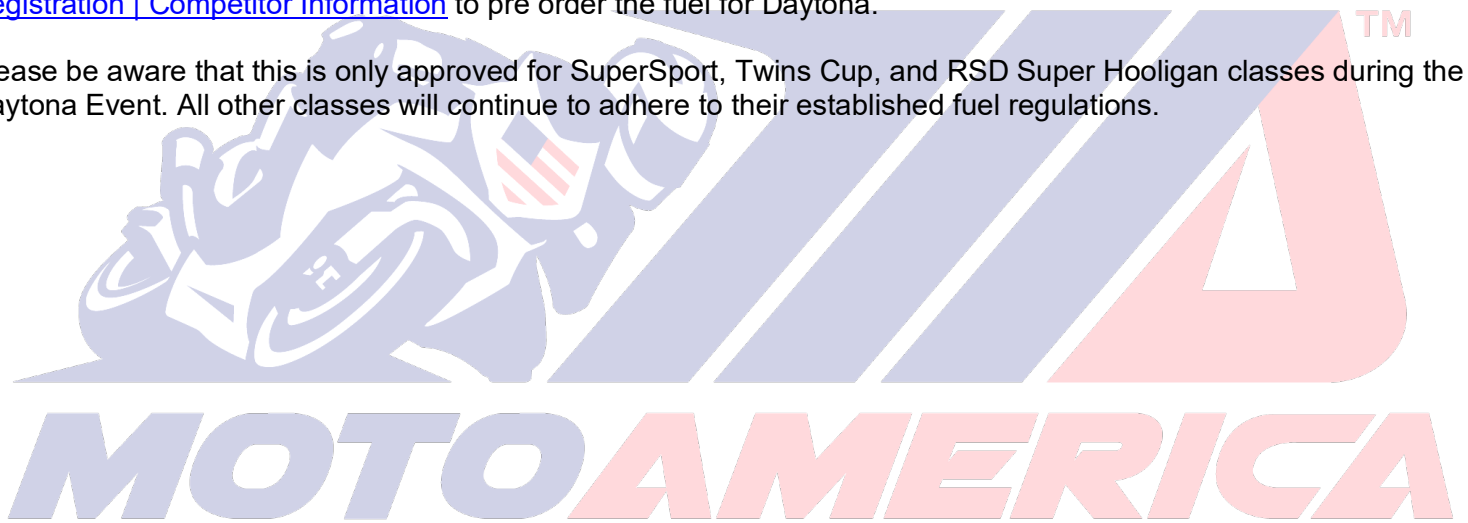

For this year's Daytona Event only, MotoAmerica is approving the use of both VP Racing Fuels MGP and VP Racing Fuels MGP-R.

Fuel Options:

- VP Racing Fuels MGP:
- VP Racing Fuels MGP-R:

VP Racing Fuels is offering MGP at a reduced price exclusively for the Daytona Event. Visit [MotoAmerica Registration | Competitor Information](#) to pre order the fuel for Daytona.

Please be aware that this is only approved for SuperSport, Twins Cup, and RSD Super Hooligan classes during the Daytona Event. All other classes will continue to adhere to their established fuel regulations.
