

MotoAmerica Technical Bulletin

SuperSport Next Generation

MOTOAMERICA

06-2023-SSNG

SuperSport teams and Competitors,

Effective immediately, please update your manufacturer map before P1 at Road America. Download and install the distribution file in Mecal 3.0 which is available to download here [Downloads – solo engineering](#). All SuperSport Next Generations updates can also be found here [Supersport Updates – Mectronik Support](#).
