

MotoAmerica Technical Bulletin

11-2023 – Yamaha R7 Fuel Injector

Twins Cup teams and competitors,

Effective immediately, AMA and MotoAmerica has approved the allowance of an additional fuel injector on the Yamaha MT-07 and the Yamaha R7 motorcycles in the Twins Cup class.

The approved fuel injectors are as follows:

1. 1WS137610: R7 / MT-07 Homologated fuel injector
2. 3B4137610: Alternate approved fuel injector provided by Yamaha USA (photos below)

No other fuel injector may be used in the Twins Cup class for Yamaha MT-07 and Yamaha R7 motorcycles.

For inquiries or to obtain the approved fuel injectors, please contact your local Yamaha dealer or reach out to Tom Halverson at tom_halverson@yamaha-motor.com.

Please contact technicaldirector@motoamerica.com with any questions.
