# SERIES OVERVIEW

## EIGHT YEARS OF GROWTH AND SUCCESS

Since acquiring AMA road racing rights in 2015, MotoAmerica has consistently delivered growth across riders, classes, attendance, viewership, content distribution and social media.

### A true sports success story.

For 2023, MotoAmerica entertains fans with ten events across the USA delivering over 100 total class races.

Each event spans a weekend with up to 250 riders competing in 5-7 race classes. Three days of non-stop racing entertain large, affluent crowds with camping, family-friendly entertainment, bike shows, stunts and more.

# EVENT OVERVIEW

Event Date: September 8-10, 2023

Texas welcomed MotoAmerica, its teams and fans for the first MotoAmerica-only event at COTA. In previous years, the series' premier class, Medallia Superbike, appeared during MotoGP's event as an exhibition class.

For 2023, MotoAmerica brought five of its classes including Medallia Superbike, Supersport, Steel Commander Corp. Stock 1000, Mission Foods King of the Baggers and the Mission Foods Roland Sands Design Super Hooligan National Championship. An impressive inaugural audience turned out for an exciting weekend of racing and upsets.

From a marketing perspective, the weekend marked the greatest amount of local dealership involvement the series has ever experienced. This included co-marketing and multiple bike nights promoting the event.

The series and its fanbase are already looking ahead to a return to Austin 2024.

**Classes:**

- Medallia Superbikes
- *Supersport*
