

MotoAmerica Mini Cup Competitor Bulletin 03-2023 Regulations Update and Season Information

The Mission Mini Cup by Motul is confirmed to be a part of the FIM MiniGP. To maintain compliance with this series, MotoAmerica will make the following changes to the schedule of events and regulations:

1. The schedule for all classes will be double headers, meaning practice, qualifying and two races on Friday, and a separate practice qualifying and two races on Saturday. For Ohvale classes only the competitors will be required to run Pirelli tires on Friday and Dunlop tires on Saturday. Pirelli Tire Service will be available Friday of each event for the 190/160 competitors. Vendor list will be available soon. The entry fee of \$250 for Stock and \$300 for Ohvale classes includes both days. There is no option to choose one day only.
 - a. At CMP and NJMP round 1 no credentials will be required and teams should contact the track for powered camping. For all other rounds credentials are required and teams should contact registration@motoamerica.com
2. The regulations for the Ohvale classes have been modified to begin a two-step harmonization process to be in compliance with the FIM Ohvale Mini World Series. A summary of changes for 2023 is below, please see regulations here for all changes:
 - a. Originally fitted shocks for both classes
 - b. 160 classes must use originally fitted forks
 - c. Only Ohvale quickshifter for the 190 class
 - d. 160 must use originally fitted clutch
 - e. In 2024 the rulebook will be fully harmonized with only a few minor differences
3. Teams requiring Ohvale parts should contact Brandon Cretu by email only at info@risemoto.com well prior to the event to allow for shipping time.
4. Stock classes with the exception of the 125 stock, will run Dunlop tires both days. The 125 stock class may use any DOT tire. Tire requirements are below. Distributer contacts are:
 - a. Racers Edge Performance- 702-257-3808 (west coast)
 - b. TT Moto Gear- 678-294-1786 (east coast)
