

Motoamerica Mini Cup Competitor Bulletin 06-2021 Pittsburgh Information

General Information

- Competitors are limited to one 10x10 canopy per entry for their “hot pit” area which will be nearest the kart track. You will not be permitted to park your trailer/vehicle next to your canopy near the kart track so just be aware. All competitors will be required to stage at the pit area by the kart track during the event on Saturday.
- There is **NO electric** in the “hot pit”. Competitors will need to bring a generator if they plan on using power for tire warmers or anything else...
- Competitors are required to supply their own MyLaps/AMB transponder BUT in the event of an issue PittRace does have some available for rent on a limited basis.
- Face mask rules will be strictly enforced and penalties will be applied for non-compliance.
- Staging will not be allowed until 2pm on Thursday (back of paddock) and entry for move-in will be Thursday 3:00-5:00 PM
- Registration is required before participation. The registration office hours are Thursday 8:00 AM – 5:00 PM and Friday 7:00 AM – 5:00 PM. Registration located in the Registration trailer.
- If you purchased camping you need to pick up a RV pass.

Technical Information/Regulations/Inspection/Procedures

- Technical inspection will be done in each competitors pit area. Tech will be completed on Thursday afternoon or Friday AM
- Tech will include riders gear
- Transponders are required for all sessions, Friday sessions will not be publicly timed.
- Any competitors requiring their engine to be re-sealed at the event please contact bcretu@motoamerica.com immediately.
- All Ohvale motorcycles must have a brake lever guard (any brand is approved).
- All Ohvale motorcycles must have the RTGS kit for their specific motorcycle installed (or equivalent items). This kit includes a clutch cover guard, rain light, belly pan plugs (in event of rain), oversize overflow tank, and fuel tank foam. (sold by Rise Moto).
- All Ohvale motorcycles must have, at a minimum, the following items safety wired in order to pass technical inspection: **brake caliper bolts, oil drain, oil fill, oil filter cap bolts...if you were a competitor using silicone as opposed to safety wire this must be fixed before this round! It only takes a few minutes to drill these bolts.**

Tire Service

- Dunlop has graciously offered to provide free tire service for competitors. This service will be offered on Friday afternoon, from 5PM-7PM, and Saturday afternoon, from 2PM-4PM, for Mini Cup competitors (except in extraordinary circumstances).
- Races run **rain or shine!** There will be no time for competitors to completely swap rain tires onto their wheels. It is recommended competitors have spare wheels with rain tires already mounted in the event of inclement weather (see note above regarding spare wheels).

- Rise Moto will have some supply of tires at the event for purchase but it is recommend to order in advance and come prepared.

Number Plate requirements:

The numbers at all events must be large block style numbers and if they are not legible the bike will not be scored if the transponder malfunctions. See the document here:
