2016 MotoAmerica Registration for Qualifying Event

Rider Requirements

The American Motorcyclist Association issues all competition licenses, including number requests. Please visit their website to apply. All riders are required to have a valid 2016 AMA License # to race.

Please visit <u>http://www.motoamericaregistration.com/rules-and-regulations/</u> to view MotoAmerica's Competitor Information for Licensing, Rules and Regulations, Technical Bulletins, Competitor Bulletins, and other info.

This guide is intended to help you register for the qualifying event, which must be completed prior to race event registration. If you have any questions unanswered by this visual aid, then please contact Ashley Hyde at 714-249-7663 or email Registration@motoamerica.com

In the qualifying event, you will create an account as the entrant, and if the entrant is not the rider, you will also create a profile for the rider. Your application requires a 25% deposit, however, this will not be charged until your application is accepted.

You will need to upload the forms located at <u>http://www.motoamericaregistration.com/rider-and-crew-entry/</u>

For Premier applications please fill out the Premier Entrant Agreement, submit a rider resume, doping agreement, and purse payment designation.

For all other applications please submit the Season/Single Event Entrant Agreement, doping agreement, and purse payment designation.

Create or Log In to Existing Account

Follow the link below to create an account with MorsportReg.

https://www.motorsportreg.com/index.cfm/event/r egister.start

Enter the required personal information and create your own username and password.
